

In order to empower the teachers with knowledge, skills and positive attitude so that they start using these methods, tools and technologies in their routine classrooms, a two day CAPACITY BUILDING PROGRAMME was organised at Arvind Gupta DAV Centenary Public School, NorthEX, Model Town, Delhi on 12th September 2015, under the aegis of DAVCMC where around 70 teachers from different schools of DAV'S in Delhi participated.

The aim of the workshop was to make teaching modules interesting, interactive and informative. The session was based on the modules of Integrated Approach of Learning and Language Development.

The resource persons during their session discussed about the objectives and the technology of Integrated Approach which should be followed by the teachers in their teaching methodology. They gave stressed on the Thematic Approach and Layered Learning of teaching and what methods should be adopted to make the teaching more interesting and effective.

Plethora of activities based on animals theme were organised for the teachers where they were enthralled while solving jigsaw puzzles ,playing Paws Game, dancing and singing songs and rhymes on different animals. The session was electrified when the teachers performed the Puppet Show and enacted on animal based story.

The objective behind these various fun filled activities was to enhance the teachers with the thematic approach of learning so that they can use this to emanate their children with the Language Development. School Principal Mrs. Mala sood interact with the teachers during the session to motivate them.

The later half of the session was based on the check list and how the little children should be assessed. The mentors laid stressed that small children should be assessed on regular basis and continuation evaluation policy should be adopted by each and every school. All the participants were being guided by the mentors about the points a teacher should keep in her mind while assessing the little ones.

Power Point Presentation along with interactive session electrified the session. The activities were conducted to make the session more interesting and powerful. Most of the participants participated in various activities like circle activity, Aerobics, Guess the animal at your back. The response of teachers present there was positively determined and amazing. They took the opportunity positively and worked in a cordial and co-operative manner. The room was actively charged when the teachers filled up their check list.

Thus, The day had a fun filled good interactive session with the participants. The response of the teachers was very encouraging and positive.
