DIWALI HAAT BY ENTREPRENEURSHIP CLUB

Dear parents,

For any learner to become all-round, they ought to be equipped with a variety of skills. **Entrepreneurship club** of a school is one such club that provides an avenue through which students can acquire skills to cope with life outside school. Entrepreneurship education benefits student from all socio-economic backgrounds because it teaches kids to think out of the box and nurtures unconventional talents and skills. Club empowers student with skills to innovate and employ themselves, which is a powerful tool in creating jobs and boosting the economy.

To foster an entrepreneurial spirit in our pupils, Entrepreneurship Club of AGDAV School has established a small scale setup of producing & selling handicrafts to the students. To showcase their entrepreneur skills, club members are organizing a **“Diwali Haat” on 31 October 2018 in the school premises from 10 am to 12:30 pm.** So you are requested to motivate the students by being a part of this initiative. Your presence will definitely help in boosting up their confidence.
