Dated: 03-08-2016

Dear parents

According to a survey almost 70-90% school going children are Vitamin D deficient. School is conducting a detailed analysis of optimal Vitamin D supplementation strategies for Vitamin D deficiency. As per your consent, your child is participating in this analysis.

The guidelines regarding the analysis for parents are given below:

- (i) The blood sample of students will be taken on 5 Aug 2016 i.e. Friday and child attendance is compulsory.
- (ii) The child must come empty stomach for the blood test on that day.
- (iii) The Vitamin D capsule will be given to child by teachers daily.
- (iv) One stock of Vitamin D doses will be given to parents to give your child on holidays.

**Kindly Note:**

- Please make sure your child will not escape the dose in any circumstances.
- There are no side effects of doses on child at all.
