Dear Parents,

The school is providing a platform where teachers can communicate with parents to keep them updated about the day to day **activities and home assignments** conducted in the school. Kindly follow the instructions given below to download the mobile app (Snap Homework):

**Parent / Student registration instruction for new User:**

1. Go to Google Play Store / App Store and Search "Snap Homework".
2. Install and open app.
3. Tap on New User.
4. Tap on 'Parent'.
5. Enter Your Name, Email or Mobile Number & Password.
6. Tap on 'Create Account' button.
7. Enter Child Name and Class Code-                      and tap add child button.
8. Tap on 'Done' on top right of your screen.

Now you will see all classroom updates in ' Activity'.

School will use a new Mobile Application **Snap Homework** to Communicate with Parents.

This app will allow teachers to easily communicate with parents

- Parents will receive classroom updates, homework, worksheets and messages from the teacher through this application
- Parents need to Sign-in only once
- Both Parents are requested to **DOWNLOAD** this **FREE** app on their phones
- School will be discontinuing all existing **WHATSAPP** groups

This application will enhance teacher-parent communication while supporting an e-learning initiative to reduce use of paper:
