.....The flame of knowledge kindles the fire of light.....

.....When fuel of sharing is added in abundance.....

Education should never be restricted to only a few, otherwise it remains incomplete. At AG DAV we always believe that the most important life skill is sharing of knowledge.

Keeping this vision in mind, the school has decided to launch a new program **SWAVLAMBAN** - Each one teach one, wherein the students of class V will be entrusted the responsibility to educate at least one illiterate or underprivileged person

The child will be awarded a certificate from DSLP (Delhi School Literacy Project) for his/her commendable efforts.

All the parents are requested to give their whole hearted support to their ward as well as the school for this noble cause and make Delhi an illiteracy free state.
